FRIDAY CONNECTIONS

REFLECTIVE PRACTICE WORKSHOP SERIES

Live, interactive 2-hour online workshops where supervisors and leaders learn, discuss, and practice reflective skills together.

May 1

Why Invest in Reflective Supervision?

Explores the research and real-world benefits that show how reflective supervision strengthens staff, leadership, and programs.

June 5

Seeing Supervision Differently: Strengthening the Relationship in Complex Work

Supervision can get complicated — especially in moments that feel tense, unclear, or emotionally charged. This workshop invites you to slow down, see more, and stay connected.

August 7 **Ethics of Reflective Supervision**

Examines ethical foundations, boundaries, and responsibilities that guide reflective practice and professional relationships.
